## Village Manager's Corner

It will be a busy start to next week beginning 2 November with the AGM on Monday afternoon at 2pm and then the Melbourne Cup followed by the Birthday Dinner on the Tuesday.

**Telephone Outage in the Lodge** – on Friday 30 October from 1100 – 1200 the Avaya phone system in the Lodge will be upgraded. This means there will be no landline service for apartment residents, Care, the Kitchen and Reception for that hour.

- If you need to contact Reception during that hour please call my mobile 021 866 595.
- If you need the Kitchen during that hour call 027 293 2458

This upgrade does not affect our emergency call system.

**Gardening** – the 2 big projects which were the rear garden and walkway area behind the Lodge and the Care area gardens, will have been completed by Friday 30 October.

The plan for the week commencing 2 November is after the rubbish round the team will spend the week trimming and pruning all resident and communal frontages.

The week of 9 November the team will start in the villa gardens spraying, weeding, mulching, trimming and checking sprinkler heads. They will commence with Beech street and work their way around the village. A weekly update on the progress will be published in the newsletter.

## Covid-19 Update –

As advised by the Government, we continue to do 3 things in Level 1:

- Wash hands frequently
- If you are feeling unwell stay home and ring **Healthline 0800 358 5453** regarding testing.
- Use the Covid contact tracing app wherever you go

**Games Room** – the cove lighting has been replaced so it is now bright and evenly coloured around the ceiling edge – makes such a difference.

**Fairview Ave Street Sign** – our new street sign has an error. They have called our street Fairview Dr instead of Fairview Ave. I have logged another job with Auckland Council.

**New kerb ramp** – a ramp has been measured and ordered for the walkway kerb between Villas 126 and 128 to improve access.

**Roadworks** - Waka Kotahi NZ Transport Agency advises that overnight maintenance works are scheduled to take place on State Highway 1 (SH1) between Oteha Valley Road and Silverdale commencing Sunday 1 November for approximately two weeks. Both northbound and southbound lanes between Oteha Valley Road and Silverdale will be closed between 9 pm and 5 am on:

- Sunday 1 November to Thursday 5 November
- Sunday 8 November to Tuesday 10 November
- Contingency dates are Wednesday 11 and Thursday 12 November

The BP Service Station Dairy Flat and other shops will be closed. A signposted detour along Dairy Flat Highway for both northbound and southbound traffic will be in place. This closure is required to carry out a range of maintenance tasks, including drainage upgrade work at the Lonely Track Road overbridge.

## From the sales office....

It's been a very long time since Fairview have hosted an open day, but that is about to change! Friday, 6<sup>th</sup> and Saturday 7<sup>th</sup> November between 12-2pm is the date scheduled, so fingers crossed for some sunshine. I would love some residents to get involved and be ambassadors, so if you are passionate about the village and enjoy chatting to people, pop your head into the sales office for a catch up.

We are presently looking at updating our sales notice board in the reception area, so stay tuned for updates on this. In the meantime, if you have any friends interested in learning more about the village please point them in my direction. I currently have Palmer and Sarazen style villas for sale and these are both 2 bedrooms.

Looking forward to seeing you all next Tuesday evening at the birthday dinner!

Cheers,

Robyn 🍷

## Nurse's Corner

Hi everyone

Just a reminder this week about the type of things we can do for you here at the clinic.

ACC dressings. Very important to get those skin tears tended to quickly if you are at all immune compromised, have circulatory problems, skin problems, joint pain etc. No charge for this service.

All other dressings eg after surgeries, skin cancers etc. Sometimes if we are using special dressings there will be a small cost involved.

Injections – whether they are Vit B12 or other – happy to give those.

Removal of Sutures

Recordings that you or your doctor may want – and just a general wellness check from us overall at any time.

Assisting with working your way around the Health System or deciphering those discharge letters or lab results.

Transferring doctors

Putting in referrals for continence products, care assistance in the home etc.

Supplying some basic aids such as grab handles, shower stools etc.

Making sure aids delivered are at the right height for you, stable etc.

Just lending an ear and listening to any concerns you do have.

Administration of medication or putting on of TED stockings.

And anything else related to your care that you require we are happy to help.

The one thing we are asked about is can we issue a recert for a drivers licence. Unfortunately no, the only nurses that can do that have to be attached to a doctors surgery and we are employed by Fairview itself so sorry we can't help you with that one. Whew...

## My News

Had a lovely long weekend just sailing around Great Barrier. The weather was perfect. The water was clear, but cold. The crayfish were plentiful. The fish were hiding but we poached a spot that a fishing charter had so managed to get enough there. The good weather was a wonderful tonic. Meanwhile my house was full with daughters, husbands and babies. They all go there on mass when I'm away. At least they send me videos of what they are up to – having a good time together.

Stay well everyone

Catharina 🍷

### Ukulele Lessons – expressions of interest

We have been approached by the music school, Ukuleles work shop, regarding having Ukulele lessons for residents at Fairview.

Instruments – residents can buy or hire Ukuleles.

Cost – there are two prices with Ukuleles or without. All sessions are one hour long. Without Ukuleles and for one hour the cost is \$80. With Ukuleles and for one hour the cost is \$100. This includes the residents being able to take the Ukuleles and materials home with them to practice between lessons.

Can you please let reception know if you would be interested in having Ukulele lessons.

### Puzzle

The old king was sitting on a rock with his son looking into the distance and said: "You see that village over there, I went there on Friday, stayed three days and came back on Friday" and the son said "How did you do that"? So the king said.....What did he say??

### Old Walking Stick

If you have an old walking stick that you no longer require can you please contact Pat Levett on 479 6135 as we require one for the line dancing class.

Thanks

## **Here Comes The Sun - by Angela Woolnough**

Two thousand and twenty  
A tumultuous year,  
The black cloud of Covid  
Harbinger of fear.

Zane Grey loved our country,  
Bold land of the free  
We're lucky to live here,  
Surrounded by sea.

Discovering New Zealand,  
Now time to explore,  
Finding new byways,  
Fresh scenes at our door.

Omokoroa is our latest find,  
A gem we'd overlooked,  
A ferry to the islands,  
Sea food, freshly cooked.

Let's beat the stress of Covid  
Summer's on its way.  
Bask in golden sunshine,  
Ensure we seize the day!
