## Village Manager's Corner

I would like to acknowledge the great team at the Front Desk Robyn, Cherie, Nicki and the rest of the team for really keeping a lively vibe at the reception which also compliments the hospitality and standard of food from the kitchen. Cherie and Nicki will be on leave this Friday and so the Front Desk will be covered by Diana and Robyn.

I would like to remind residents that before any additions or changes are made to the inside or outside of your unit, that you do need to obtain permission from the operator. If you are planning any changes please could you come and discuss this with me first. Once I have had approval from the operator, I will confirm this and a confirmation will be put on your file to record the changes and/or improvements that you have made.

Attached below is a picture of our new addition to the garden family. This is Roger and we have purchased him to spray weed killer on the grass throughout the village. We have received great feedback as Roger does not make a noise and there is no smell. I would ask that if you have asked for your grass not to be sprayed before Roger joined the team and are happy to have Roger come visit your lawn then please let us know.

Great news with regards to the road works outside the main entrance to the village. This coming Monday, weather depending, the traffic lights will have been taken away, the road markings will be completed and normal access to and from the village will resume.

Robyn has been very busy welcoming new residents and showing prospects around the village.

I hope you all have a great weekend !!!

Adrian

## Nurses Corner

Hi All,

### Influenza Immunisation

I haven't heard anything else regarding this yet but as soon as I get the information I will pass it on to you. There is no need for you to do anything at this point.

### Speeding

I am apologising in advance but I see a few of you looking at me with a steely glance and some of you wave your fists when I speed past. I promise you I am not disobeying all the speed rules but answering an emergency alarm.

I'm never going to do 100 and I am looking out for you, but I will be going as fast and safely as I can to answer that alarm. It may be yourself or a visitor that needs care.

### **My News**

Ageing can be tough for everyone!!

I was given some lovely tomatoes from one of the residents here and they were so delicious that my partner took the pips to dry out and to plant. He diligently put them to dry in neat rows on a paper towel and put them on the kitchen bench. Coming home later he couldn't find them at all. I was rung at work because of course I must have been the culprit to throw away his good work. It wasn't me and I had no idea so next on the firing line was my mother. I said "Dorothy did you see a paper towel here with pips on" – "no" replied mum. Mum returned later with a nice serviette with polka dots on that she had used to cover something – her eyes not being what they used to be saw the paper towel with pips and thought it was a very pretty serviette with polka dots. Luckily all ended well.

Stay well everyone.

Catharina 😊

### **Food Service Update**

Peter Woolnough

### QUIZ NIGHT – Sunday 28 March

ATTENTION QUIZZERS. Following lockdown the 2021 Quiz Season will now kick off on **SUNDAY 28 MARCH** commencing at 7.00pm in the Lounge, Level 3. So, get your teams together and resume practicing. As with the cancelled February night, we would, ideally, like to increase the number of contestants to the 80+ that used to turn up in years gone by. That would make a big difference to the prize money! Fifty participants work but the prize money is lower and the end of year "handout" is also lower. If you wish to take part, turn up on the 28<sup>th</sup> and we will place you into a team. Some of the newer residents might like to come along and slot into a team or make a team of their own.

The subjects for the first night are the ones originally set down for 28 February and are: **General Knowledge 1, The Films of Alfred Hitchcock, New Zealand (all things Kiwi), Capital Cities, 1992 (all that happened in 1992), and General Knowledge 2.**

We look forward to seeing you there!

### Fairview Fellowship

Monday 29<sup>th</sup> March at 3pm.

#### Note change of venue

Meet in 3<sup>rd</sup> Floor Sun Room Lounge.

A friendly invitation to all who would like to join with our group encouraging each other in our Christian faith.

### Heat Pump Service

I am told by the experts that heat pumps require servicing on an annual basis but if your unit is not often used then every 2 years would suffice. The information below is from Neil Duff, Heat Pump Cleaning specialist [www.heatpumpclean.co.nz](http://www.heatpumpclean.co.nz).

>

We usually charge \$145 per heat pump service but because I already have more than 10 in the village that I service we can do them for \$100 inc gst.

The service involves:

> Indoor Unit

- > • Check the operating temperature and airflow efficiency before and after service.
- > • Remove filters and spray with a degreaser that kills any bacteria or fungi growing on them. Then scrub them clean.
- > • Spray a degreaser on the coils and fan motor. We then use a special steam machine to get in to the tight spots and get rid of fungi or bacterial growing inside. We catch all the dirt in a bag underneath.
- > • Remove any fine dust in and around the unit.
- > • Change remote batteries if they need changing.

>

Outdoor Unit

- > • Apply cleaning solution to fins and coil.
- > • Clear foliage from around outside unit.
- > • Clean intake screens.
- > • Clean and check fan blades.
- > • Test and check noise levels.
- > • Check for any vermin, if any, spray with bug killer.
- > Please book your service on 0800 225 327 and pay the serviceman directly.

### Gareth's Puzzle

You are driving a bus. At the first stop, two women get on. At the second stop, three men get on, and one woman gets off. At the third stop, three kids and their mum get on, and a man gets off. The bus is grey, and it is raining outside. What colour is the bus driver's hair? **Answer** – you are the driver!

### This week's puzzle
