

Village Manager's Corner

What a great start to the week with the village celebrating Ivy Mann's 90th Birthday. Cherie and I enjoyed the cake and I loved hearing about the history of the family home in England. It is nice to know that Ivy is a very strong Liverpool supporter, I might have to pop in to watch a game.

I would like to introduce Sian Marsh-Jerebine to the village. Sian has joined our gardening team and she brings a wealth of knowledge with regards to plants and a love for gardening. I am sure she has already met some of you and you will find her friendly and has a great can-do attitude.

The croquet lawn is coming along nicely. Thank you, Ron Johnson, for keeping the Gardening team on their toes it is greatly appreciated.

We have moved the gift table from the café area to the games room as we are busy making some changes to the café area. Thank you, Doreen Gould, for assisting with this move.

This coming Monday is a very important day for the village. It is the first major bowls tournament that will be hosted by the village. It would be greatly appreciated if the residents who are not participating would please not sit on the benches next to the bowling green, as these will be utilized by the players participating in the tournament. It also would be appreciated if the car parks near the lodge be left for the other visiting villages to use. I have listed the details below with regards to the teams.

GO Fairview:

- Fairview
- Settlers
- Knightsbridge.
- Mayfair
- Greenwich Gardens
- Poynton
- Hibiscus Coast
- Summerset Monterey

Fairview Avenue roadworks:

The timing on the road works is still on track to be complete in two weeks' time. The rain hasn't played its part but the team have been doing well in keeping on track .

Anzac dinner bookings close on Thursday the 22nd of April, the cost of the dinner is \$25 per resident.

International Day of The Human Space Flight is the 12th of April, I am sure we will get some time to look up this week and appreciate the stars above us.

Northern Corridor Improvements

We are scheduled to be working in the coming weeks across the Oteha Valley Road southbound onramp slip lane, Sunday 11 through to Friday 23 April. Work is scheduled both day and night to make use of the school holidays when traffic volumes are lower.

What are we doing?

We have numerous tasks to complete and include:

- Underground service location
- Footpath replacement
- Signalised pedestrian crossing
- Underground services installation
- Pedestrian Island upgrade

How will it affect you?

Our work has been carefully planned to keep disruption to a minimum; however there will be some noise, heavy machinery and trucks moving. Traffic management will be in place and is detailed below. We apologise in advance for any disruption our work may cause.

- Sunday 18 April 9pm continuously through to Friday 23 April 5pm: Oteha Valley Road open with lane restrictions in place. Slip lane leading to Oteha Valley Road southbound onramp closed. Turn left at the traffic lights to access the onramp.

Have a great weekend.

Influenza Immunisation

This will have started today and continuing tomorrow Friday with Northcross Pharmacy.

If you were not able to make these times you can at any time get a free injection from your doctor and from Northcross pharmacy.

I would advise you to get one sooner than later so that you are ready for the Covid vaccine when it is rolled out.

I have had 130 consents returned to me and many of you have already received a vaccine from your doctor so that's a pretty good consent rate.

Thank you for keeping yourselves and your fellow residents safe.

My News

I am off today – it is one of those birthdays that roll around quickly with a big zero in it. I will be having a quiet day and then sharing Sunday with my family.

Unfortunately, Prince Philip nearly put an end to my celebrations as Melissa is the Royal correspondent and will have to do some sort of cover on Sunday. However, we think we have swung it so the coverage of the funeral will be in the morning, she will come to my party covered in tv makeup and then return at 4.30pm for a quick touch up before fronting the 6pm news. All programming has been rearranged just for her mother.

Oh yes baby 4 is due tomorrow as well so Sunday may as yet be cancelled.

Stay well everyone.

Catharina 😊

Food Service Update

Hello to all residents

Last week's winner!

A huge congratulations to Nancy Naden of Villa 69, who snapped up the fabulous Gingerbread House. With the current Covid situation, and upcoming ANZAC day, I thought what a lovely and apt story.

This is Nancy's story...

"I remember,

My mother's basic recipe for a salad was chopped lettuce, tomatoes and hard boiled eggs. I loved it!

We regularly visited my Aunt who's salad consisted of lettuce, cooked beetroot and raw onion!. I hated it!

But my mother insisted that I must eat a spoonful of it and not hurt my Aunt's feelings.

My Aunt had great faith in the healing powers of raw onions.

She was in her late teens when the influenza epidemic hit after WW1 and said she kept herself immune by eating a raw onion every day.

She was able to help nurse her family and friends, and didn't succumb to the 'flu'.

I now enjoy beetroot, but still can't eat raw onions!"

Keep those entries flowing in. If you have entered, your story will stay in the box, so you are automatically in for every week's draw. Each week there will be a different prize.

ANZAC dinner

If you haven't already booked, join us for another wonderful evening of good company and a delicious dinner. Bookings close at reception by Thursday 22 April.

Donut Fryday

Friday's are Donut Madness Day, freshly made in the morning, and are already gathering quite a following. Come down and see what delicious fillings Kevin creates each week.

A La Carte dinner update:

We are finalising this new concept, and are looking to roll this out early May, I will keep you posted on our progress.

Have a wonderful week.

Warm regards
Marion

QUIZ NIGHT — Sunday 18 April

Did you know that Linden Johnson's home state was Texas? Did you know that in Coronation Street Steve McDonald has been married seven times, with an eighth possibly coming up? If you answered yes to either of these questions you should be part of a team on Quiz Night. You may even win some money! Come along and have a go, it's a lot of fun!

We have some great questions for the April quiz, which is a week early due to Anzac Day. The subjects are: **General Knowledge1, Lord Mountbatten, Assassinations, In Which Year (did events happen), Baby Boomer Music and General Knowledge2**. There are 10 questions on each topic. Get those computers working! We will see you at 6.45 Sunday 18 April, with pencils sharpened and brains engaged.

Outdoor Bowls Tournament

After two previously rescheduled cancellations due to Covid Lockdowns at the last minute, the Outdoor Bowlers are once again planning to hold an inaugural inter-village competitive tournament. We are hoping that the *Fairview Challenge Trophy* will go ahead this time on Monday 19 April. This tournament is sponsored by our Fairview Management and the trophy has been made by David Brown. It is planned to be an annual tournament.

8 villages have been invited to send 2 teams each and compete for the trophy. The winning village's name will be engraved onto the trophy each year. There will also be prizes for individual winning teams. Villages invited are: Settlers, Mayfair, Knightsbridge, Greenwich Gardens, Poynton, Summerset Monterey and Hibiscus Coast.

This will be a big day for our bowlers, but, like the others, we will have just two teams of triples actually playing. Residents are welcome to come and watch and support our teams.

It would be appreciated if residents could walk to the lodge that day, as parking is limited here at Fairview, and our visitors will require parking spaces. There will probably be at least 12 cars and 1 bus for us to find parking spaces for.

So let's hope for a fine day and help us to give our visitors an enjoyable time. We would like to build a reputation for being the friendliest village for our visiting bowlers.

Heat Pump Service

I am told by the experts that heat pumps require servicing on an annual basis but if your unit is not often used then every 2 years would suffice. The information below is from Neil Duff, Heat Pump Cleaning specialist www.heatpumpclean.co.nz.

We usually charge \$145 per heat pump service but because I already have more than 10 in the village that I service we can do them for \$100 inc gst.

The service involves:

Indoor Unit

- Check the operating temperature and airflow efficiency before and after service.
- Remove filters and spray with a degreaser that kills any bacteria or fungi growing on them. Then scrub them clean.
- Spray a degreaser on the coils and fan motor. We then use a special steam machine to get in to the tight spots and get rid of fungi or bacterial growing inside. We catch all the dirt in a bag underneath.
- Remove any fine dust in and around the unit.
- Change remote batteries if they need changing.

Outdoor Unit

- Apply cleaning solution to fins and coil.
- Clear foliage from around outside unit.
- Clean intake screens.
- Clean and check fan blades.
- Test and check noise levels.
- Check for any vermin, if any, spray with bug killer.

Please book your service on 0800 225 327 and pay the serviceman directly.
