## Village Manager's Corner

What a start to this week! Hosting our first annual bowling tournament was a privilege. I would like to give a huge thank you to Audrey Ansell and the bowling committee for bringing it all together. I must also say a big thank you to the kitchen team for the great food, as well as the gardeners and cleaners for helping setup. David Browne, we all thank you for designing and making the trophy. Put simply, this was a huge success.

I did spend a bit of time watching the teams compete during the day. From what I saw we were close to bringing the trophy home. Well done to our bowling team for hanging in there and putting up a great fight. Greenwich Village took home the trophy, but mark my words, we'll get them next year. We have some great bowlers in this village, I'll be asking for some lessons when you have the time.

Cherie Le Sueur celebrated her birthday yesterday. If you are passing by the reception area, please pass on your belated wishes to her.

I am pleased to advise that wifi is now available in the second-floor theatre, games room and swimming pool area.

In regard to the opening of the Australia/New Zealand Travel bubble, we wanted to put in writing how we see this impacting the village. Specifically, in relation to visitors of the village and residents travelling:

We appreciate that this step forward is a positive one, however we do want to maintain caution and awareness around anything that could have a negative effect on the village. Both the New Zealand Government and the Australian Government have deemed it safe to travel between the countries without the need to isolate, and therefore we will allow visitors from Australia who have travelled under this new 'bubble' to visit/stay in the village.

We *do* want to stress though, that all visitors who are going to stay are recorded at reception, as is now current practice, and we are very focused on making sure we have noted the origin of the visitor and the flight number of the plane.

This will be particularly important if we do experience any community outbreaks. We also want to remind residents that if you are going to be away from the village (overnight etc.) then please do let us know at reception. This will also be recorded so that if there is an event at the village we know that you are not here so we will not be looking for you.

Again, in light of the potential travel to Australia we will keep the details of where you are going and for how long so if there is a community outbreak we have the details on file. If you do decide to travel please make sure that you have a plan for if the borders suddenly close on either side, this may require additional funds or a place to stay.

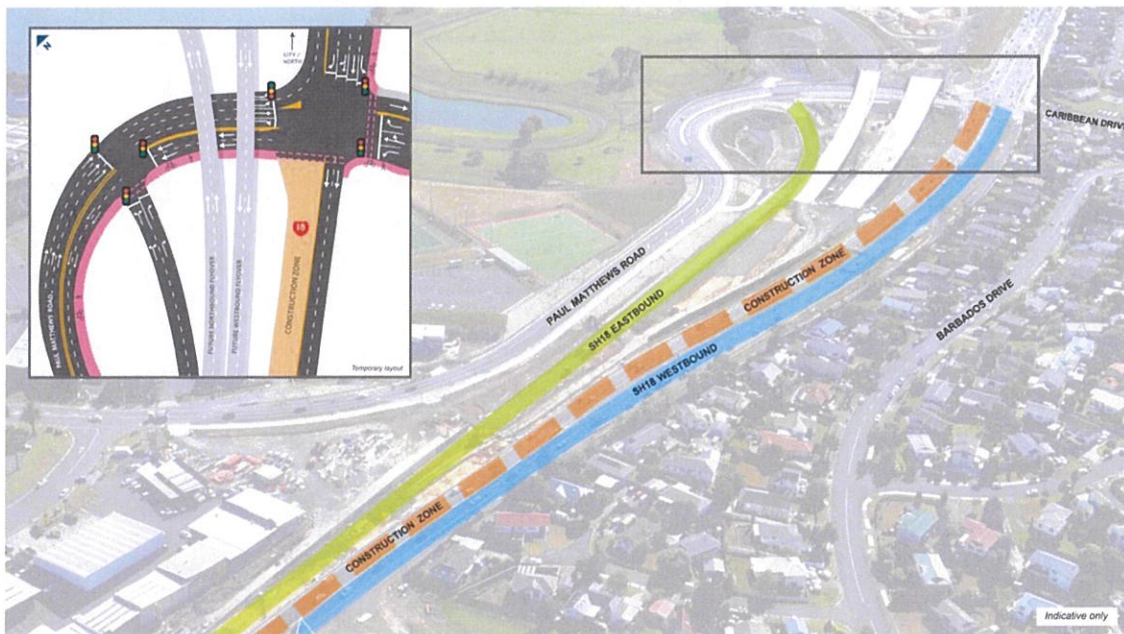

Finally, as per usual, if you or your visitors show any signs of COVID-19 or are feeling unwell then please stay away from the community areas, get a COVID test and self-isolate until the test is returned.

Anzac Day dinner bookings are full at 160 residents. Quite impressive. Anzac Day is a national day of remembrance in Australia and New Zealand that broadly commemorates all Australians and New Zealanders "who served and died in all wars, conflicts, and peacekeeping operations" and "the contribution and suffering of all those who have served." I personally had a grandfather that served in World War 1 in Italy and will be spending the day remembering him.

This is a full week of events, but it is great to remember the people who have served so that we can enjoy time with family and friends. Enjoy the weekend and have a great Anzac day with an Anzac biscuit.

Adrian Mc Inroy

### Plan ahead: New SH18 eastbound off-ramp opens 27 April

North Shore drivers are advised to get ready for a big change to how they travel on SH18 when a new eastbound off-ramp at Paul Matthews Road opens after Anzac weekend. The new road layout will shift all traffic heading east through a new intersection at Paul Matthews Road. The biggest change is that drivers must turn right at new traffic lights on the off-ramp, to head to Unsworth Heights, the SH1 motorway at Constellation Drive or to continue travel to East Coast Bays.

People are advised to plan ahead as major delays are expected during peak times. This is a significant change and road users will need to be patient while everyone adjusts.

Motorists are encouraged to avoid SH18 altogether and use alternative routes. For people travelling from the west to the city, they can use the Northwestern Motorway (SH16) instead.

The layout will remain in place as work on the project continues.

### Light poles installed on the Albany Busway Bridge

The urban design for the project looks to the ancestral use of the wider area for safe passage and harvesting kai (food), whether by ara (tracks) or awa (water). Design elements of the bridges, bridge barriers and retaining wall panels provide travellers with a connection to the cultural and ancestral landscape of the area.

For people travelling from the North, the new Albany Busway Bridge is the first distinctive landmark of the project and references the movement of a waka (canoe) through water. The light poles which are currently being installed are positioned in a way so as to be reminiscent of hoe (paddle) stroking through water from a waka. We plan to turn on the lights at night later in the year.

## From the Sales office...

I'm heading to Australia tomorrow to help my mum move into her new home. She's been on the Gold Coast for 25 years and is now returning to Sydney to be closer to the family. I arrive the day the moving truck does, so guess what I'll be doing for the next week???

During my absence Adrian and Diana will be running the show, along with Cherie and Nicki.

I'll see you on Monday the 3<sup>rd</sup> May, exhausted and in need of a holiday!!!

Cheers,

Robyn.

**CHOCOLATE CAKE (with an extra layer)**

*In order to impress the 'new boyfriend,' I invited him home to meet my parents.*

*Of course, knowing his favourite was chocolate cake, I set about to make the most scrumptious one ever.*

*Unfortunately, as we each took our first bite of the beautifully iced cake, we struggled to munch our way through the two layers. It didn't take too long, before we realised the novice cook's error.*

*No one had told me that, after removing the cake from the two tins, the greaseproof paper (used to prevent the cake from sticking to the tin) should also be removed!*

*A good laugh, at the time, but can't remember if anyone came back for a second helping.*

**MOIST CHOCOLATE CAKE (original recipe)**

*(Preferably, to be made in a non-stick tin, if you have one)*

4 ozs butter	1 cup sugar	2T golden syrup	1 egg
1 cup milk	2 cups flour	1 tspn Baking Powder	
2 T cocoa	1 tspn cinnamon	¼ tspn salt	
Vanilla essence	1 tspn baking soda	½ cup milk	

**Grease & paper 8inch (square tin) – remembering to remove the paper after cooking!!!!**

**Method**

*Cream butter & sugar with golden syrup.*

*Add egg & beat well.*

*Stir in first mixture of milk.*

*Fold dry ingredients into creamed mixture. Add vanilla.*

*Dissolve soda in second mixture of milk & add to batter.*

*Mix well & place in prepared tin.*

*Bake 45 mins at 180 degrees C.*

## Outdoor Bowls

The **Fairview Challenge Trophy** Bowls tournament on Monday 19<sup>th</sup> April was a great success. Thank you to the residents for your tolerance with the parking issues and for your interest and comments.

I would like to thank the Management for their support, the Fairview kitchen for the wonderful food preparation and all our Bowlers and helpers.

Our 2 teams of players need special mention too. Fairview has not done very well at inter-village tournaments in the past so it was a great surprise at lunchtime after 2 games to see that Fairview Village was in the lead, and they very nearly pulled it off, but in the end were Runners-Up to Greenwich Gardens.
